

SERVICE OVERVIEW

FANATICAL SUPPORT FOR OFFICE 365

The power of Office 365, backed by award-winning Fanatical Support.

Microsoft® Office 365™ helps businesses power productivity and collaboration with a powerful suite of integrated business applications accessible from anywhere, on any device.

- **Work better together** with easy access to email, calendar, files and Office applications from any device – on the road, at home or at the office.
- **Automatic updates** provide access to the latest versions, newest features and security enhancements of Office 2016, Exchange™, SharePoint® and more.
- **Work more securely** and share files confidently with built-in, customizable security and privacy controls that help keep your critical data safe.

WHY RACKSPACE FOR OFFICE 365?

Migration, deployment and management of Office 365 can be extremely complex. These tasks require technical skills, knowledge and a time investment that is too great for many organizations to handle internally.

Fanatical Support® for Office 365 helps alleviate the common setup and ongoing management challenges. We can help you with email migration, deployment guidance and day-to-day technical troubleshooting.

Even if you're already using Office 365, you can migrate your existing licenses to our service and take advantage of:

- **Fanatical Support:** You get 24x7x365 access to U.S.-based support via phone, chat or ticket. No per-incident charges.
- **Free email migration:** Our migration experts move more than 50,000 mailboxes every month from hundreds of email platforms.
- **Easy access to Microsoft Office 365 experts:** We've been managing Microsoft email, SharePoint and online file storage for over a decade and support over four million users worldwide. We'll help you successfully use the features you pay for and get the most out of your investment.
