

How nuvestack

STACKS UP

The Desktop as a Service (DaaS) Market

Office Suite 2013

NUVESTACK

Office Suite 2013 Included
Also included: Skype, Adobe Reader, Internet Explorer, Chrome, and more

COMPETITORS

Office Suite 2013 NOT included
On average an extra \$13/user/month (or \$219/user, if purchased separately).

Computing Performance Guarantee

NUVESTACK

Included
Nuvestack guarantees incredible performance that helps increase productivity across the board.

COMPETITORS

Not Included
Others don't guaranty performance. You could end up with a solution that can't get the job done!

Complete IT Solution

NUVESTACK

Included
Your IT staff finally has time to work on strategic projects. Nuvestack takes on the mundane, time-consuming tasks associated with managing desktops.

COMPETITORS

Not Included
Your IT staff still spends its days managing desktops, installing updates, helping with logins ... ho hum.

Minimum Users

NUVESTACK

1
Nuvestack scales smoothly from one user on up.

COMPETITORS

Average: 10
In some cases up to 100 users are a required minimum.

Full Printer Support

NUVESTACK

Included
Guess what? Our engineering team sets up your printing solution - all part of the service we provide with your monthly subscription.

COMPETITORS

Not Included
Pay someone else to set up your printing needs. Pay for support when something goes wrong.

Contractual Agreement

NUVESTACK

Options That Fit Your Needs
Nuvestack subscriptions can be monthly or yearly. It's up to you.

COMPETITORS

One Size Only
Most competitors require a one year minimum commitment.

HOW MUCH DOES IT REALLY COST?

	Nuvestack	Physical PCs	Amazon WorkSpaces	VMware/Deskone	DinCloud
IT staff Help Desk support	\$0.00	\$50	\$7.50	\$0.00	\$0.00
End-user Help Desk support*	\$0.00	\$15	\$15	\$15	\$15
Software/image maintenance, updates, patches, malware, etc**	\$0.00	\$34	\$34	\$34	\$34
Management tools	\$0.00	\$42	\$42	\$42	\$42
BASE PRICE	\$99.50	\$889***	\$60	\$100	\$134
TOTAL PRICE Per User/Per Month	\$99.50	\$232****	\$158.50	\$191	\$288

*Not an available or bundled option with non-Nuvestack offerings. Requires 3rd-party contracting.
** Requires a salaried or contracted employee to manage (industry average is one IT employee per 100 users).
*** Computer \$700 + monitor, keyboard and mouse \$189.
**** Based on average over one year.

Nuvestack delivers #BadAssDaaS for less.
